

Michael's PIZZA NEWS

Joliet Edition

November 2007

Meet Your Manager

Why is your Michael's Pizza experience always so enjoyable? Let us introduce our store Manager Eric. He is the man behind the scenes working hard everyday to make sure that your order is perfect every time. Eric began his career at our Romeoville location in 1988. We immediately noticed his determination and dedication to his work. When the opportunity came to open another location in Joliet he was our top choice to fill the manager position. Coming up on 20 years of service, Eric never fails when it comes to making sure his customers are 100% satisfied. Eric is also a proud parent of 4 beautiful children, and a loving husband to a former Michael's Pizza crew member, Jill. Besides pizza and family, his passions include cars. He enjoys restoring Mustangs and Buick Grand Nationals himself and has an impressive list of cars he has restored to perfection. Stop in today and see why we love him as part of our own Michael's Pizza family.
