

Michael's PIZZA NEWS

Plainfield Edition

November 2007

Meet your Manager

Meet the newest addition to our management team, Katie. She has been a part of the Michael's Pizza crew for 5 years working at multiple locations. From being a part of the Plainfield

in-store crew, to taking deliveries as a Joliet driver, Katie has shown that she will do whatever it takes to see Michael's Pizza grow. You might still catch her taking deliveries to help on days she is not managing. She has been a friend to the Michael's Pizza family for over 13 years. Katie is a sports fanatic. Don't be surprised to find her in a Bear's shirt on game days cheering for her team. And be prepared for a debate if you want to disagree with her opinion on the Cubs. This hometown girl is a winning addition to our team and we hope that you agree.
