Romeoville Edition

November 2007

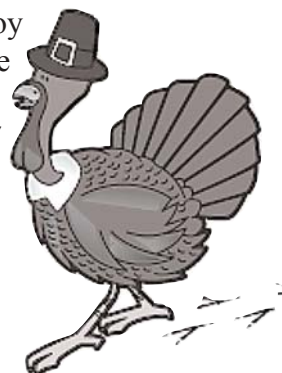

## Meet Your Manager

Who is that mysterious man behind the question mark? Why, it's the manager of our Romeoville Store, Scott Parisi, of course! Don't let his youthful appearance deceive you, Scott is a talented manager with over 13 years of experience behind him. It's hard to believe this store manager began his career as a dishwasher in one of our first locations in Normantown Center. His hard work, loyalty, and leadership helped him achieve the success he has had with Michael's Pizza. If you've ever spoken with Scott, you know that he cares about the company and our customers. He works hard to make sure all of our Michael's Pizza customers are 100% satisfied with their orders, every time. Stop in our Romeoville location some evening and say hello to the "mystery man" behind the scenes that helps make Michael's Pizza the most popular pizza in Romeoville!
